## For Big Road Meeting

Oklahoma City, Nov. 1.—Delegates to the Ozark Trails convention at Oklahoma City, Nov. 21-22, already appointed and signified their attendance number into the thousands. These men are coming from every town and city on or near the proposed transcontinental highway between St. Louis and Los Angeles. Among them are the governors of at least three states. It will be a gathering of the foremost men in these respective communities and the convention will be notable for the high class of its delegates.

Those most enthusiastic regarding this highway are men with intimate knowledge of the value of other transcontinental lines to the communities through which they pass. They assert that to a comparative new region such as Oklahoma and New Mexico with great undeveloped natural resources the value of an Ocean to Ocean highway would be of greater value. The strength of this argument is obvious.

The convention itself will be the largest in numbers of delegates than any convention of any character ever before held in Oklahoma. Hotels are preparing to care for all who come by requisitioning, if necessary, the aid of private residences.

Some of the world's highest authorities on road building will appear on the program at the Ozark Trails convention in Oklahoma City, Nov. 21-22. These conventions are schools on means and methods of road construction.

## Rheumatism Follows Exposure.

In the rain all day is generally followed by painful twinges of rheumatism or neuralgia. Sloan's Liniment will give you quick relief and prevent the twinges from becoming torture. It quickly penetrates without rubbing and soothes the sore and aching joints. For sore, stiff, exhausted muscles that ache and throb from overwork, Sloan's Liniment affords quick relief. Bruises, sprains, strains and other minor injuries to children are quickly soothed by Sloan's Liniment. Get a bottle today at your Druggist, 25c.—Adv.

The largest convention in point of numbers ever held in Oklahoma will be that of the Ozark Trails good roads convention which will meet in Oklahoma City Nov. 21. This convention will be attended by delegates from all points on the Ocean to Ocean highway between St. Louis and Los Angeles. This highway is now partly constructed and links of it is finished at various points between these cities and many miles of it is under construction at this time. This highway will not only rival but excel in continuous interest either the Lincoln Highway or the Santa Fe Trail.

## Now Lookout.

When a cold hangs on as often happens, or when you have hardly gotten over one cold before you contract another, look out for you are liable to contract some very serious disease. This succession of colds weakens the system and lowers the vitality so that you are much more liable to contract chronic catarrh, pneumonia or consumption. Cure your cold while you can. Chamberlain's Cough Remedy has a great reputation. It is relied upon by thousands of people and never disappoints them. Try it. It only costs a quarter. Obtainable everywhere.—Adv.

Sheriff W. I. Creer and 7 of the county prisoners are working the Mountain Grove road this week. The rocks have all been picked out of it as far as Clark's Creek road and it is being graded from there up to the Bob Dodson farm by Ben Moore, the Overseer.—Hartsville Republican.

Irregular bowel movements lead to chronic constipation and a constipated habit fills the system with impurities. HERBINE is a great bowel regulator. It purifies the system, vitalizes the blood and puts the digestive organs in fine vigorous condition. Price 50c. Sold by all dealers.—Adv.

## ENGINEER MAKES COMPLETE REPORT

H.C. Smith, Hannibal, Gives Full Details of His Relief Through Tanlac.

Hannibal, Mo., November 1.—That Tanlac has a firm friend in H. C. Smith, well known Hannibal engineer, who lives at 526 Union street, was forcefully shown on October 8, when he told in a most frank and earnest manner of the benefits the Master Medicine brought him.

"I had stomach trouble, indigestion bothering me," he said. "My food didn't agree with me, causing a heavy feeling in my stomach and gas often formed in my stomach after eating. I couldn't sleep and was very nervous."

"I had heard of how Tanlac was helping other people and I decided to give the new medicine a trial. The indigestion is much better now. My nerves are more steady and I sleep soundly at night. In fact, I feel better in every way. Tanlac is truly a wonderful medicine and I want to recommend it."

Tanlac, the Master Medicine, is especially beneficial for stomach, liver and kidney trouble, catarrhal complaints, rheumatism, nervousness, sleeplessness, loss of appetite and the like.

Tanlac is now being specially introduced and explained in Mansfield at the Fason Drug Co. store.—advertisement.

## Locate Near Ava.

Mr. and Mrs. Walter Wade and child and Mrs. Wade's father passed through Springfield en route to Ava, Mo., where Mr. Wade has purchased a farm. Wade is a full blood Choctaw Indian and Mrs. Wade is a Mexican, and until the present conflict broke out in Mexico the Wade family were prosperous farmers of that country. They seemed to be pleased with conditions in the Ozarks.—Springfield Republican.

## KEEP THE KIDNEYS WELL

Health is Worth Saving, and Some Mansfield People How to Save It.

Many Mansfield people take their lives in their hands by neglecting the kidneys when they know these organs need help. Weak kidneys are responsible for a vast amount of suffering and ill health, but there is no need to suffer nor to remain in danger. Use Doan's Kidney Pills—a remedy that has helped thousands of kidney sufferers.

The following statement leaves no ground for doubt.

Francis Ashby, Willow Springs, Mo., says: "I have found Doan's Kidney Pills a good medicine for pains in the small of my back, rheumatic twinges in my loins, headaches and dizzy spells. They are also good for removing trouble with the kidney secretions." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Ashby had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.

## I. O. O. F. Big Day.

Mansfield Lodge, No. 146, I. O. O. F., had a big day Saturday. At 2 o'clock they met at their hall and conferred the initiatory degree upon W. S. Miller. This was followed by a school of instruction conducted by Hon. E. B. Garner of Hartsville, who knows Odd Fellowship in a thorough way, and is able to impart this knowledge to others in a clear manner.

At 6:30 a big oyster and general supper was served at the G. A. R. Hall, which had been appropriately decorated for the occasion, and this feature was enjoyed to the full by a large number. The oysters were prepared in a most appetizing manner by a "French" chef, Dr. F. H. Riley, who understands this art thoroughly. Needless to say, the rest of the meal, prepared by the ladies of the Odd Fellows' families, was the best ever.

At 8:30, in the I. O. O. F. Hall, Hon. J. W. Wilkerson of St. Louis, Past Grand Master, delivered a splendid address on Odd Fellowship, briefly reviewing the history of the organization, its growth, purposes and accomplishments, illustrating his points with stories that went right to the point. Our people were fortunate in being able to hear so able a man, and all were delighted with his talk.

Among the visitors present from other lodges in the county were:

Hartville—District Deputy Grand Master, W. A. Newton, Hon. E. B. Garner—whom we some day expect to see Grand Master of the State of Missouri, Tyre Newton, John Rippee, Thomas Jones.

Norwood—C. T. Schoonover, J. D. Mallatt, F. M. Huffman, J. F. Stewart.

Jericho—Jack Stogs-dill.
